

RHM Fluid Power

FD A Division of Flodraulic Group

Stocking Distributor & Fluid Power System Integration Specialists Since 1958

Eaton	Industrial, mobile, marine & aerospace hydraulics
Vickers	Pumps, valves, accumulators, electronics, cylinders
Char-Lynn	Motors, steering control units
Eaton	Hydrostatics, controls, pumps, motors
Filtration	Self-cleaning, bag, cartridge and full-line filtration solutions
Aeroquip	Full-line hose, fittings and connectors
Ingersoll-Rand	Air compressors, dryers, filters, systems, parts
SMC	Pneumatic valves, actuators, air prep, connectors
PowerKool	Coolant, filtration & chip management systems
Sun	Cartridge valves, integrated manifolds, modular valves
Peninsular	Hydraulic & pneumatic cylinders, boosters
UEP	Electrical panels, controls, diagnostics, data acquisition
Co-Ax	Control valves for liquids, gases, air & coolant
Schroeder	Filters & filtration systems, elements, diagnostics
Flo-Tork / Moog	Hydraulic & pneumatic rotary actuators
Belki	Coolant conditioning, filtration and oil separation
Hawe	Compact power units, zero leak valves, pumps
API / Thermal Transfer	Water & air heat exchangers, temperature controls
MayTec	Structural aluminum framing systems
Hedland	Flow meters, switches, readouts
REVEN	Mist elimination and air-cleaning systems
DMIC	Fluid power system accessories, valves, gauges
Daman	Standard bar stock & custom manifolds
miniBOOSTER	Mini-hydraulic intensifiers
Delta Computer	Motion controllers, sensors and signal converters
RHM	Hydraulic, lube oil, coolant, compressed air and test systems
